MR [REDACTED]

The map is part of the Lorain Borough section of Johnstown. I grew up in this area.

Houses A, B & C were at one time part of a [REDACTED] family of 2 generations. House A is still occupied by [REDACTED] whose husband Bob (deceased) has been there for as long as I can recall.

House B is occupied by [REDACTED] who is related to the [REDACTED] clan, has been there well over 10 years.

House C was built and owned by Harvey Shaffer, who was the grandfather of the people in my age group. Both he and his wife are long-deceased. The red "dash" below house C is where he parks. b6 b7C

Building X is where [REDACTED] permitted to do work on my own cars. Rather than create excessive dirt during the welding and rebuilding operations in the garage, I parked in front, along Lohr Place, as indicated. My truck occupied that spot for about 60 hrs. during this past Summer, with me working on it.

[REDACTED] would be seen ~~and~~ travelling Lohr Place nearly every day. He knows "I" was there. What occurred to me after my conversation w/ Mr [REDACTED] was that he would never stay there for more than maybe 10-15 min. Sometimes he'd go past the garage 6 times in an afternoon & evening. If he has a girlfriend there, he'd seldom ~~be~~ be there long enough to eat a meal, & I never seen anyone in his vehicle w/ him. He'd just zoom-by, pretending not to see me, but sometimes I'd get a scowl from him!

Additionally, I was told about 2 years ago that he was expanding his waterproofing scam to the Lancaster area, and that

he had considerable contracting equipment in storage at various garages (Plural). How much truth there is to this, I don't know.

But as Jim said: this guy likes to consider himself "cunning" and ~~has had long-term experience at violence, theft & intimidation. He~~ trusts NO one.

If Jim ever found with my head stomped into the sidewalk, you'll know who did it, because it ~~bothered~~ irritates him so badly that he & I are "squared-off" for life. Good Luck.

b6
b7C

P.S.

Sad to say, but I'd rather shoot him & take my chances with the court system, than let him touch me. I've seen too many times what he can do. He doesn't "need a reason" either!

APPLICATION AND AFFIDAVIT FOR CRIMINAL COMPLAINT

I, Paul H. Wilson, being duly sworn, depose and say:

1. I am a Special Agent with the Federal Bureau of Investigation (FBI) and have been so employed for the past 16 years. I have been assigned to the Pittsburgh, Pennsylvania Division, Johnstown Resident Agency, for approximately the past 17 months.

2. As a result of my training and experience as a Special Agent with the FBI, I am familiar with the federal laws pertaining to threats being made against federal officials, specifically, members of Congress. I know that in accordance with Title 18, United States Code, Section 115(a)(1)(B), it is unlawful to threaten to assault, kidnap, or murder a United States official, with the intent to impede, intimidate, or interfere with such official while engaged in the performance of official duties, or with the intent to retaliate against such official on account of the performance of official duties. I also know that the provisions of 18 U.S.C. § 115 protect any official whose killing would be a crime under 18 U.S.C. § 1114. Further, this affiant is aware that section 1114 makes it a crime to kill, "any officer or

employee of the United States or of any agency in any branch of the United States Government (including any member of the uniformed services)...or any person assisting such an officer or employee."

3. I am familiar with the facts and circumstances set forth in this affidavit as a result of my participation in this investigation; my experience, training and background as a Special Agent of the FBI; as a result of information provided by other Special Agents of the FBI, Officers of the Stonycreek Township Police Department; and, as a result of other sources of information identified herein.

4. This affidavit is submitted in support of a Criminal Complaint against the defendant, DONALD LEE FENTON.

5. On December 3, 1997, FBI Special Agent Dale Frye of the Johnstown Resident Agency was contacted by Officer Kevin Price of the Stonycreek Township Police Department. Officer Price related that at approximately 1841 hours, he was contacted by a Randy Leventry, who explained that he is an adjustor employed with the Erie Insurance Company located in Richland Township, Pennsylvania. Mr. Leventry further explained that he has been handling the claim filed by a Donald Lee Fenton against Carmen Wholesale Tires, which is a business insured by Erie Insurance Company. Mr. Leventry stated that, earlier that evening, he had received a telephone call from an individual who identified himself as Donald Fenton. Mr. Leventry also stated that he had dealt with

Fenton on several different occasions and that he, Leventry, was familiar with Fenton's voice. Mr. Leventry explained that Fenton had taken his truck to Carmen Wholesale Tires for an oil change on June 2, 1997. The mechanic, however, neglected to re-fill the engine with oil after removing the old oil. This resulted in damage to the engine in Fenton's truck. Although Erie Insurance agreed to remedy the situation, Fenton experienced a long series of additional problems with his truck as a result of the original failure of the mechanic to replace the oil. Fenton called Mr. Leventry on December 3, 1997 to complain about the fact that he was once again experiencing additional problems with his truck after picking up the truck following the latest repairs which were to have been preformed on his truck. Mr. Leventry explained that he told Fenton to take his truck back to the mechanic and have it repaired again. At this point in the conversation, Mr. Leventry related to Officer Price, Fenton became very hostile and started to make threats. Fenton stated to Mr. Leventry that he, Fenton, had just bought a gun and ammunition, that Timothy McVeigh is his hero and that McVeigh is famous and "I will be famous too." Fenton then threatened to kill Mr. Leventry and stated that he, Fenton, knew where Mr. Leventry lived. Fenton then stated that he was going to kill everyone that worked in the Erie Insurance Office. Officer Price then related that Mr. Leventry stated that Fenton was going to "blow Congressman Murtha's head off" and then he was going to

kill John Hugya, who works as one of Congressman Murtha's aides. Fenton then stated to Mr. Leventry that Congressman Murtha and Mr. Hugya are behind all of his (Fenton's) problems.

6. Subsequently, Officer Price advised this affiant that he went to Fenton's residence on December 3, 1997 to question him about the allegations of threats made by Fenton. Accompanying him were other officers as well as counselors from CRISIS, which is part of the Cambria County Mental Health Department. Upon arriving at Fenton's residence, Officer Price knocked and identified himself and told Fenton why he was there. Fenton consented to allow Officer Price, the other officers and the counselors into his residence. When asked about owning a gun, Fenton laughed and said he doesn't own a gun. Officer Price then asked Fenton if he minded if he (Officer Price) looked around. Fenton replied that he did not mind. Officer Price related that no gun or ammunition was found during the search. Officer Price also related that he observed the interview between the counselors and Fenton. During the interview, Fenton stated that he blamed Congressman Murtha and Mr. Hugya for all of his problems and for stealing his ideas for the economic revitalization of Johnstown and representing that the plans were Murtha's own ideas for the revitalization of the Johnstown area. Fenton also stated that he believed that Mr. Murtha had him placed under surveillance. At the conclusion of the interview, the counselors asked Fenton if he would voluntarily go

to the hospital for an evaluation. Fenton agreed. While being transported to the hospital by Officer Price, Fenton stated to Officer Price words to the effect that, "Murtha won again. It's all about that article in the paper."

6. On December 11, 1997, this affiant interviewed Fenton following Fenton's arraignment on local charges which had been filed against him by Officer Price relating to the threats Fenton made against Mr. Leventry. During the interview, Fenton related that in 1996, he wrote to Murtha concerning Fenton's economic plan for the re-vitalization of Johnstown. He stated that he subsequently met with Mr. Hugya at his office at which time he presented his economic plan. Mr. Hugya indicated that it was an excellent plan and asked "What's in it for Murtha?" Fenton related that he told Mr. Hugya that it was his (Fenton's) plan; to which Mr. Hugya replied that "he would steal it." Fenton then related to this affiant that it was shortly thereafter that his problems began and that he suspects Mr. Murtha and Mr. Hugya to be the root of all of his problems. Fenton also admitted that he said that he made the comment to Mr. Leventry about having a gun and bullets but he only said it because he felt there was a campaign of dirty tricks being waged against him by Mr. Murtha and Mr. Hugya. Fenton then stated that he does not believe in violence and that he doesn't have a gun. He also related that he has no malice towards Murtha and that if Murtha were there, he would "wash his feet and dry them

with the shirt off his back." Finally, Fenton related that he knows the law and asked this affiant what evidence there was of any threat. He also stated Mr. Leventry threatened him and that he (Fenton) was misconstrued and didn't threaten anyone.

7. On December 12, 1997, this affiant interviewed Mr. Leventry at his residence. Mr. Leventry related to this affiant that the phone call with Fenton lasted approximately 7 to 10 minutes and took place at approximately 7:00 p.m. on December 3, 1997. Mr. Leventry further related the "history" behind Fenton's numerous problems he was having with his truck as a result of the initial failure of the mechanic to replace the oil in June, 1997. Mr. Leventry then related that, during his phone conversation with Fenton on December 3, Fenton stated that he believed that Mr. Leventry was involved in a conspiracy with Congressman Murtha because too many things have gone wrong with his truck and that he was going to "blow Murtha's head off and blow Hugya's fucking head off." Mr. Leventry related that he was not aware of who Mr. Hugya was at the time Fenton threatened Hugya. Fenton also stated to Mr. Leventry that Murtha controlled Laurel Ford, the place where Fenton was attempting to get his truck repaired, and that if he, Fenton, went back to Laurel Ford, "there was going to be a body count." Mr. Leventry also related to this affiant that Fenton said he purchased a gun and had lots of bullets and would be using them. Fenton also stated that it took three months to get an article

published in the Tribune Democrat, a local newspaper in the Johnstown area, and that he was going to go there and get a body count too. Fenton then stated to Mr. Leventry that he, Fenton, was going to kill everyone who works for the Erie Insurance Office. Fenton also stated that he, Mr. Leventry, should keep his doors locked.

8. Mr. Leventry further related that Fenton stated words to the effect that he (Fenton) was in Vietnam and that he has seen people die and that he is ready to die. Fenton also stated words to the effect that "this is war and that he would have to defend himself maybe not today, but some day and that the government is our enemy, look at Tim McVeigh, he's my hero. Mr. Leventry stated to Fenton that he (Leventry) "didn't want this to happen." To which Fenton replied, "It's going to happen." Mr. Leventry said that he asked Fenton if this was his way of reaching out for help and Fenton replied, "Tell it to CNN." Finally, Mr. Leventry related that, in his opinion, he believed Fenton would carry out the threats because he (Fenton) appeared too focused on what he was saying not to be taken seriously.

9. Based on my investigation, John P. Murtha is a United States Representative for the Commonwealth of Pennsylvania, Twelfth Congressional District, which includes the Johnstown, Cambria County area, and as such is an employee and/or officer of the legislative branch United States.

10. Based on the aforementioned facts, your affiant submits that probable cause exists to believe that on or about December 3, 1997, in the Western District of Pennsylvania, Donald Lee Fenton, did threaten to kill John P. Murtha, an officer of the United States, to wit, United States Representative for the Commonwealth of Pennsylvania, 12th Congressional District, with the intent to retaliate against said official on account of the performance of the official duties of said official, which is a felony in violation of Title 18, United States Code, Section 115(a)(1)(B).

The information is true and correct to the best of my knowledge, information, and belief.
